7 INT. HALLWAY BY BECKY JO'S LOCKER - MORNING 7

YOUNG BECKY JO

Hey Kenny...
(all over him)
Going to the big game tonight?

YOUNG KEN

(not shy at all)
Mhm. Maybe? Why?

YOUNG BECKY JO

Stop it... You know why.... I'll
be thereJohnny has to work
late, and I'm going to be all
alone.

YOUNG KEN

(always the joker)
Yeah? What about the rest of
the cheerleaders?

YOUNG BECKY JO

I mean after the game silly,
at the Bonfire

She is really turning up the heat for a PG school
hallway and people are starting to slow down and look
at lucky Ken.

Johnny comes flying out from out from a pack of
students. He grabs Ken by the collar and tears him
away from Becky Jo.

YOUNG JOHNNY

What the heck do you think
you're doing with my girl,
Shine Boy!?

Johnny's fists are up for a fight, but Ken knows his
brother and buddies are right there watching the

whole thing. He doesn't even really react and tries to stay tough.

YOUNG BECKY JO

Leave him alone Johnny; we were just talking. I'm allowed to talk, aren't I?

YOUNG JOHNNY

Not to a Shine boy you ain't! You don't mess with trash, Becky Jo.

YOUNG KEN

Trash? Big talk coming from the Mayor of the DUMP!

As he starts to throw into Johnny, one of the **teachers** intervenes just in time. He grabs Ken from the back and pulls him away stopping them before anything gets out of hand.

YOUNG JOHNNY

You're lucky Shine boy. One of these days you won't be, and guess who's going to be there.

The **bell rings** and everyone goes their separate ways into classrooms. Follow Johnny down the hall as he drags Becky Jo with him.

While he walks, he knocks a few **books** out of students hands and trips another. He's just bad. Then, the hall is empty and **quiet** once again.
